Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

McLind Corporation, P.O. Box 3669 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

"Powerful Antioxidant\*"

"As a potent antioxidant, Lycopene prevents damage to cellular structures throughout the human body. By neutralizing free-radicals, Lycopene has the ability to promote cardiovascular and prostate health, as well as overall immune function. Because the body cannot produce Lycopene, dietary supplementation is particularly important to your health.\*"

These claims are being made for a product named Lindberg® Tomato Lycopene. This submission is being made in compliance with 21 CFR §101.93.

The undersigned is an authorized representative of the McLind Corporation and certifies that the information contained in this notice is complete and accurate, and that McLind Corporation has substantiation that the above statement(s) is (are) truthful and not misleading.
